

Company History and Profile:

Martin Meyer

Professional photographer, 4x4 safari and qualified Field Guide (FGASA/DEAT registered), Emergency Responder, sought after consultant and creative writer.

His expertise is a culmination of 15 years of experience and crossings through Africa. With the true spirit of 'Ubuntu' coursing vigorously through his veins, he currently resides on the Board of directors of the Memory Foundation, whilst advising, guiding and consulting for a selection of high caliber safari companies.

Nicole Meyer (nee Schuttelaars)

A Dutch citizen was raised and educated in the Middle East, South America and the Far East. Her love of culture, languages and the arts led her to the diversity of South Africa's rainbow nations' shores.

Her fluent verbal communication skills in Dutch, English, French and German, culminating in a successful international and local hotel management career.

A conscientious decision, has led Nicole to qualify as an internationally accredited Yoga instructor, holistic massage therapist, Reiki Master and gifted counselor.

Having amalgamated their core businesses they have a multi-faceted approach to their unique wellness safari's, photographic galleries, publications and team-building business, offering a completely customized safari based business packages.

Martin and Nicole to work together on marketing, consultancy and customized 4x4 safari solutions.

Martin is a qualified DEAT / FGASA field guide and internationally accredited Emergency Responder. These were borne from guiding across the vast African continent.

Our services range from and include the following customized options:
